## Is the Internet of Things the Future for Smart India

14

“It is absolutely fine to convert an open source product into a business as long as the ‘free as in freedom’ values are not compromised and the code always remains open” — **GNUKhata**

18

“We are entering into a more market driven era which is resulting in the creation of more and more free software, now mostly driven by large corporations”

**Rushabh Mehta, ERPNext**

20

The open source chip movement has just begun

**G.S. Madhusudan,**  
senior project advisor,  
IIT-Madras
