

ZTE Grand S II is now available on Amazon!

ZTE's Grand S II smartphone has finally gone on sale in India, exclusively via e-commerce site Amazon.in.

The smartphone is available only in silver. It was originally unveiled in January 2014 at the CES trade fair. It comes with a 13.97-cm (5.5-inch) full HD display. The Indian version of the device is powered by a 2.2GHz Qualcomm Snapdragon 800 MSM8674-1 quad-core processor along with 2GB RAM.

This dual-SIM device packs in a 2500mAh battery. It comes with a 13 MP rear camera with an LED flash and a 5 MP front camera. It has 16GB of internal storage space, which can be further expanded via microSD card. The Grand S II runs on Android 4.2 with a Mifavor UI.

Price: ₹ 13,999

Google Nexus 6 makes a debut at Flipkart!

The Motorola-built Google Nexus 6 is now available in India, exclusively with e-retailer, Flipkart. It comes in a 32GB and 64GB variant, and is available for Rs 43,999 and Rs 48,999, respectively. Google had originally released the Nexus 6 smartphone in October. It sports a 15.14 cm (5.96 inch) QHD (2560x1440 pixels) AMOLED display, and is powered by a 2.7GHz Snapdragon 805 quad-core processor, coupled with 3 GB of RAM.

The Google Nexus 6 has a 13 MP rear camera and a 3 MP front-facing camera. It packs in a 3,220mAh battery and runs the latest Android 5.0 Lollipop out of the box. It has Motorola's Turbo Charger, which according to the company, is capable of delivering six hours of battery life within just 15 minutes of charging.

Price: 32GB and 64GB variants for ₹ 43,999 and ₹ 48,999, respectively

ADATA unveils an impact-resistant dual USB Flash drive for smartphones and PCs

ADATA Technology has announced the India launch of its Choice UC330 dual USB Flash drive featuring dual micro USB and standard USB interfaces. Available in 8, 16 and 32GB the UC330 dual USB allows one to share and back-up data between PCs, tablets, phablets, or smartphones at prices rivalling what it costs for the built-in storage found on some mobile phones.

Crafted out of a zinc alloy with a silver finish, ADATA's Choice UC330 dual USB Flash drive weighs only 3.6 grams and comes with a black end cap fitted with a strap hole; so you can easily carry the flash drive on a lanyard, keychain or neck strap.

Along with a lifetime warranty and on-the-go (OTG) USB compliance, customers who purchase ADATA's Choice UC330 dual USB Flash drive can also enjoy complimentary OStoGO and UFDtoGO software packages. With OStoGO, you can store your Windows setup DVDs on your UC330, and then install the OS from your UC330 as a USB bootable device. With UFDtoGO, users can enjoy many tools and features such as PC-lock, data compression, browser favourites synchronisation and more.

Price: ₹ 550, ₹ 775 and ₹ 1,400 for 8GB, 16GB and 32GB models, respectively
