Iball's first Intel-based Android tablet

Iball has launched another voice-calling tablet in India called the Slide 3G-i80. The tablet comes with a 20.32cm (8 inch) HD IPS display and is powered by a 64-bit 1.33GHz (up to 1.83GHz in Burst mode) quad-core Intel atom Z3735F processor, along with 1GB RAM. The device is equipped with a 5 megapixel auto-focus rear camera and a 2 megapixel front camera.

The Slide 3G-i80 comes with 16GB built-in storage, which is expandable up to 32GB via microSD card. It has a 4400mAh battery and runs on Android 4.4 KitKat. Apart from a SIM card slot and 3G connectivity, the tablet also features Wi-Fi, micro-USB, microHDMI and Bluetooth options.

The Iball Slide 3G-i80 tablet is available in all major stores.

Panasonic's first 4G smartphone in India

Panasonic has launched its first 4G smartphone in India, and it's called Eluga L 4G. The phone comes with a 12.7cm (5 inch) HD display, with the 'One Glass Solution' (OGS) that incorporates the Corning Gorilla glass protection.

The device is powered by a Qualcomm Snapdragon 410 processor (quad-core 64-bit chipset) along with 1GB of RAM and runs on the Android 4.4 KitKat OS. It is equipped with an 8 megapixel primary camera with an LED flash which also supports 1080p video recording, and a 5 megapixel selfie shooter front camera which is supported by Blink play technology for better selfies. The Eluga L is a dual SIM phone. One SIM card supports 4G connectivity, and the other supports a maximum of 3G connectivity. The phone is provided with internal storage of 8GB, which is extendable up to 32GB via a microSD card.

The device comes with 4G LTE support for TDD B40 (2300MHz) and FDD B3 (1800MHz) bands, and also supports Wi-Fi 802.11 b/g/n, Bluetooth 4.0 with A2DP and Wi-Fi direct as other connectivity options. The phone is available only in one colour—radiant blue—at all major mobile stores.

Essot's credit card-shaped power bank

Essot has launched its new cutting-edge power bank called the PowerHorsez 2600C. The device is ultra slim, compact in design and lightweight, which makes it easy to carry in any wallet. The 6.75mm portable power bank comes with a 2,600mAh battery, and is capable of fully charging almost all smartphones.

The SSD also features an LED indicator that indicates the charge left in the device. The device comes with an in-built microUSB smartphone cable, which eliminates the need to carry a separate cable. The Essot PowerHorsez 2600C is available on Flipkart and Amazon.
