

YOU SAID IT

Improvement suggested

The contents of the magazine are informative and every article is drafted well. One suggestion I'd like to make is that when you provide a link to a reference, kindly provide the QR code for each link. This will help readers in accessing the online references.

—Mukul B, mukilan59@gmail.com

ED: Thanks a lot for the feedback. It really makes us feel good to know that you like the articles we publish. We value our readers' suggestions as they help us improve the quality of the magazine. Having a QR code is a good idea and we will surely try to implement it soon.

Useful tips

Linux tips published in the "Tips and Tricks" section of your magazine are great and very helpful. The tip about using the UP arrow key to search through the *bash* command history, which was published in the August 2015 issue of the magazine, is a real gem.

—Manu, mmanuprasad@gmail.com

ED: Thanks! It feels great when readers tell us how they benefited from our magazine. Feedback from our readers really motivates us to come up with even more useful articles. Keep sharing your feedback with us.

Where to get old issues?

I would like to get the March 2015 edition of *Open Source For You* along with the bundled DVD containing the Kali Linux distribution. Please inform me how I could get this and the price that I would have to pay for it in the event that it is available. I am a resident of Guwahati, Assam.

—Kalyan Lahkar, klahkar25@gmail.com

ED: We have only the last six issues of the magazine. You need to contact Kits 'N' Spares if you want to purchase old issues of any

magazine published by the EFY Group. You can buy them online at http://kitsnspares.com/user2/led_product_description.asp?id=1706. You can even email info@kitsnspares.com for more details.

A wish list for OSFY

I have just begun subscribing to *Open Source For You* magazine. I like its contents and would like to suggest a few topics that I would like featured in the magazine. These are:

- A step-by-step guide to setting up a CMS
- Website setup with Wordpress
- Advantages of using a CMS
- Setting up a shopping cart using Wordpress
- Configuring a payment gateway with a CMS

I would be very grateful if you could cover these topics as a series of articles in the upcoming issues.

—Upendra Sharma,
upendrasharma3994@gmail.com

ED: We appreciate you sharing the list of topics that you would like to see in the magazine. We always look forward to such ideas from readers like you. Your wish list will be forwarded to our editorial team and we will try our best to include the topics you mentioned. Meanwhile, you can search <http://opensourceforu.com> for similar articles. **END** 

Facebook Feedback

Bashir Ahmad Khan: How can I subscribe to your magazine in Pakistan?

Open Source For You: You can subscribe to the print or the digital version of the magazine. To subscribe the print edition you can get the details at <http://electronicsforu.com/electronics-foru/subscription/subsc2scheme.asp>. If you are interested in the digital version, you get the details at <http://ezines.efy.in/>
