

to make an Indian Open Source event
a global phenomenon

We invite speakers, volunteers, subject-matter experts, LUGs, media partners, exhibitors and sponsors to engage with us and help Open Source India become an event that makes all other nations take note

KEY FACTS

Dates: September 19-21, 2010
Venue: Chennai Trade Centre (Chennai, India)
Edition: 7th (commenced in 2003 as Linux/Isa)

Here's How You Can HELP...

Share your expertise by speaking on such topics as...

- Developing Web Applications Using Open Source
- Developing Mobile Applications Using Open Source
- Developing Embedded Systems (or Device-Level Software)
- Using Open Source
- Migrating IT Infrastructure to Open Source
- Migrating IT Infrastructure to Open Source
- Business-ready Open Source Applications
