Electronics ForYou expo 2011

Innovate. Design. Manufacture. Source.

16 to 18 February, 2011
Pragati Maidan, New Delhi

Goal: To accelerate the growth of the electronics industry in India

Find your target audience and select the zone that suits you best for exhibiting your products and services

Manufacturing Zone

Visitor Profile
Those who are involved in the manufacture of electronics products, viz. production heads, production engineers, quality control engineers, R&D engineers, electronics & technical consultants, decision-makers **... and more**

Exhibitor Profile
Those who provide manufacturing solutions, viz. electronics production equipment & assemblies (SMT), electronics manufacturing services (EMS), and contract manufacturers. Also those who provide services to electronics manufacturing, provide soldering technology, packaging, material processing, and PCB assembly. PCB manufacturers, manufacturers of cabinets, providers of logistics **... and more**

B2B Buyers' Zone

Visitor Profile
Those who are involved in the purchase of electronics products and services, viz. purchase heads, those who influence buying decisions (technical and commercial), top decision-makers, trade channel dealers, distributors, stockists, resellers, retailers **...and more**

Exhibitor Profile
Vendors of components, plugs, sockets and connectors, LED lighting and display products, security systems, power conditioning and back-up systems, industrial automation products, telecom products, identification and tracking products, solar power products, cabinets, enclosures and accessories, wires & cables **... and more**

Engineers' Zone

Visitor Profile
Those who are involved in product design, viz. design engineers, application engineers, service engineers, R&D engineers, electrical and electronic (technical) consultants, top decision-makers **... and more**

Exhibitor Profile
Those who offer design solutions and the latest technology for engineers in the fields of passive components, active components, micro controllers and micro processors, EDA technology, FPGA and VLSI solutions, embedded systems, hardware and software design tools, test & measurement, communication technology **... and more**

Innovation Zone (Start-up & Tech Transfer)

Visitor Profile
Everyone who is interested in the latest innovations, specially from India

Exhibitor Profile
- Innovators (individuals)
- Start-ups
- R&D organisations
- Leading academic institutions
- Venture capitalists and incubators
- Tech-transfer facilitators

...and more

WHAT'S DIFFERENT AT THE EFY EXPO?

Focus on the complete eco-system

Innovation | Manufacturing | Product Design | Product Sales

Visitors from the following industry segments will be attracted to this expo

- Consumer electronics
- Automotive electronics
- Telecom & broadcasting
- Industrial electronics
- Industrial automation
- IT hardware
- Medical electronics
- Defence
- Aerospace
- Railways
- Trade channel
- Government, ministries and PSUs
- System integrators
- Energy distribution and management
- Renewable energy (solar)
- Lighting and home automation
- Academia **...and more**

Engineers' galore

Engineers play a crucial role in the manufacture of any product. They make valuable decisions at the design stage, and influence the purchase of products needed in the manufacturing process. Engineers with various job-functions and skills (below) are expected to visit the EFY Expo...

- Product design
- Chip design
- Repair and maintenance
- Test & measurement
- Quality
- Research & Development (R&D)
- Vendor evaluation and purchase
- Production
- Education and training
- Field Application / Sales and Marketing
- Tech consultants
- CTOs and CEOs **... and more**

KEY ATTRACTIONS

Besides the expo, the following activities will be organised in parallel to build strong content to attract the targeted audience...

EFY Summit:
A conclave for CEOs and CTOs

EFY Awards:
India's leading tech awards night

Seminar on **Design Engineering**

Business Consulting Zone

Innovation Showcase (Start-ups Zone and Tech Transfer Zone)

On-the-spot contests

Visitors' Choice Awards 'for best booths'

Mega publicity campaign planned on

Television

Newspapers

Web

Trade publications

Outdoors

BONUS! Nation-wide publicity for exhibitors

Exhibitors at EFY Expo will be featured in a mega publicity campaign through various media properties that are being created specially for this event

Show supplements in EFY
(July 10, Nov 10, Feb 11 issues)

Show supplements in EB
(July 10, Nov 10, Feb 11 issues)

Show supplement in **EAG - June 2010 edition**

Show dailies on all three days

Show directory

Presented by: ElectronicsForYou

Knowledge & Exhibition Partner: ELCINA

Supporting Associations: ICEAMA, CMAI, ESC, TCA, ISA

An EFY GROUP EVENT

EFY Enterprises Pvt Ltd, D-87/1, Okhla Industrial Area, Phase 1, New Delhi 110 020
