The Leading Global Business Technology Event

INTEROP IS THE BEST PLACE TO REACH ACTIVE BUSINESS TECHNOLOGY BUYERS

Interop drives the growth and innovation of the global business technology market. Business and IT professionals attend Interop to get information they need to purchase the latest technology.

Exhibition: As IT's most comprehensive event, Interop bring together the largest audience of enterprise buyers, SMB buyers, channel buyers, press and analysts – all in one place- to learn about the latest technologies, product and services. Estimated attendance: 3500+

Some of the Exhibitors are: Array Networks; Brocade; Cyberoam; Dailfex; EMC; Extreme Networks; eScan; Gajshield; Iomega; Leviton; Ncomputing; Neoacel; Network Hardware Resale; RSA; Sahasra Electronics; Stellar; VoIP Hardware; Watchguard; Websense; etc

Sponsorship: Interop offers a host of marketing programs to help technology vendors demonstrate thought leadership, generate demand, capture qualified leads and get press coverage—amounting to an incredible return on your marketing investment. In addition, Interop's marketing and sponsorship opportunities give you the opportunity to:

- Increase market share
- Take advantage of new purchasing concerns
- Promote your brand
- Accelerate the selling process and boost sales

Conference: Hear what experts have to say on the following topics at Interop:

- Application delivery
