BUYERS

**Electronics
ForYouexpo**
Innovate. Design. Manufacture. Source

16 to 18 February, 2011
Pragati Maidan, New Delhi

Goal: To accelerate the growth of the electronics industry in India

Find your target audience and select the zone that suits you best for exhibiting your products and services

Manufacturing Zone

Exhibitor Profile: Those who are involved in the production of electronic products, components, and assemblies. They may be OEMs, contract manufacturers, or subcontractors. They may also be involved in the design, development, and testing of electronic products.

Exhibitor Profile: Those who are involved in the production of electronic products, components, and assemblies. They may be OEMs, contract manufacturers, or subcontractors. They may also be involved in the design, development, and testing of electronic products.

B2B Buyers' Zone

Exhibitor Profile: Those who are involved in the production of electronic products, components, and assemblies. They may be OEMs, contract manufacturers, or subcontractors. They may also be involved in the design, development, and testing of electronic products.

Exhibitor Profile: Those who are involved in the production of electronic products, components, and assemblies. They may be OEMs, contract manufacturers, or subcontractors. They may also be involved in the design, development, and testing of electronic products.

Engineers' Zone

Exhibitor Profile: Those who are involved in the production of electronic products, components, and assemblies. They may be OEMs, contract manufacturers, or subcontractors. They may also be involved in the design, development, and testing of electronic products.

Exhibitor Profile: Those who are involved in the production of electronic products, components, and assemblies. They may be OEMs, contract manufacturers, or subcontractors. They may also be involved in the design, development, and testing of electronic products.

Innovation Zone (Start-up & Tech Transfer)

Exhibitor Profile: Those who are involved in the production of electronic products, components, and assemblies. They may be OEMs, contract manufacturers, or subcontractors. They may also be involved in the design, development, and testing of electronic products.

Exhibitor Profile: Those who are involved in the production of electronic products, components, and assemblies. They may be OEMs, contract manufacturers, or subcontractors. They may also be involved in the design, development, and testing of electronic products.

WHAT'S DIFFERENT AT THE EFY EXPO?

Focus on the complete eco-system

- Innovation
- Product Design
- Manufacturing
- Product Sales

Visitors from the following industry segments will be attracted to this expo

- Automotive electronics
- Consumer electronics
- Industrial automation
- Mobile electronics
- Medical electronics
- Power electronics
- RFID
- Sensors
- Test & measurement
- Thermal management
- Wireless communications

Engineers' gains

Engineers play a critical role in the manufacture of any product. They make valuable decisions at the design stage, and influence the purchase of products used in the manufacturing process. Engineers with various job functions and skills (listed) are expected to visit the EFY Expo...

- Product development and design
- Production
- Quality control
- Repair and maintenance
- Test & measurement
- Research & Development (R&D)
- Supply chain management
- Customer support
- Education and training
- Field Application (Sales and Marketing)
- Project management
- System integration
- Technical support
- Warranty and claims

KEY ATTRACTIONS

Besides the expo, the following activities will be organised in parallel to build strong content to attract the targeted audience...

EFY Summit:
A confluence of CEOs and CFOs

On-the-spot contests:
Innovation Showcase (Start-ups Zone and Tech Transfer Zone)

On-the-spot contests:
Innovation Showcase (Start-ups Zone and Tech Transfer Zone)

On-the-spot contests:
Innovation Showcase (Start-ups Zone and Tech Transfer Zone)

Mega publicity campaign planned on

- Television
- Newspapers
- Web
- Trade publications
- Outdoors

BONUS! Nation-wide publicity for exhibitors

Exhibitors at EFY Expo will be featured in a mega publicity campaign through various media properties that are being created specially for this event.
