

I am proud that my son has become a Computer Hardware & Networking Engineer after 12th

Jetking's unique SmartLab Plus training method made it easy for him.

At Jetking, we understand that students who are not from a technical background find it difficult to learn computers. Hence, we have developed a unique training method called SmartLab Plus that makes computer

learning fun and easy. **Training includes:** • Practicals • English Speaking • Personality Development • Interview Skills

12-month JCHNE course (Part-time)
(Jetking Certified Hardware & Networking Engineer)
Eligibility: 10+2 and above

Course details: • PC Hardware & OS Support Skills
• Networking • MCITP (Windows Server 2008) • CCNA
Walk in for **FREE** counselling and prospectus.

Special offers on select courses

Ek saal padhai, phir shuru kamayi.
