An EFYGROUP EVENT

If It's Electronics It Will Be Here

Being organised by the Electronics For You Group, the Electronics For You Expo (EFY Expo) is an attempt to go beyond the usual 'components' or 'SMT equipment' shows. EFY Expo is an attempt to get the entire Indian electronics industry under a single roof. Spanning across 5 halls with an area of 14,000 sq m, it's destined to be the BIGGEST electronics event in North India, and might just end up being the *numero uno* show of India!
