Sachin Thapar, head, IT and the Mobile Business, Sony India

Sanjay Kumar, GM, Mobile Business, Intex Technologies (India) Ltd

touch with open source app developers to come up with applications that are India-specific. That apart, we are focusing on the youth segment, as we believe that open source has ardent young followers. Our motto is to provide them relevant and useful content related to their fields through Android technology,” says Sanjay Kumar, general manager, Mobile Business, Intex Technologies (India) Ltd.
