

Learn Open Source Software for Free (Linux, LaTeX, Scilab, Python, PHP & MySQL, LibreOffice, GIMP, etc.)

The Spoken Tutorial Project-IIT Bombay makes this possible...and you don't have to leave your campus!

Promote Spoken Tutorials

**Help Organise Workshops in colleges
Spread awareness in your community**

What is a Spoken Tutorial Workshop ?

- 2 hour program using Video tutorials to teach a software
- Useful to learn Open Source Software independently

Do well in Exams!
Get good jobs!

Get involved and help
develop our Nation!
Help Make
India IT Literate !
