A Hands-on Review of ICS on Galaxy SII

LFY DVD

ubuntu 12.04

Live DVD: A x86/x86_64 version

Ubuntu 12.04, codenamed Precise Pangolin, is a simple, fast and secure operating system for desktop and server. The latest release comes with improved and updated set of tools to make your desktop experience even better.

xubuntu 12.04

An elegant and easy-to-use operating system that works well on older hardware too.

kubuntu 12.04

An Ubuntu derivative with KDE Plasma Desktop.
