Micromax launches its Android A84 Superfone Elite

Micromax has launched its A84 Superfone Elite in the Indian market. Featuring a 1 GHz processor, the MicroMax A84 Superfone Elite runs the Android 2.3.6 Gingerbread OS and sports a 9.9-cm (3.9-inch) capacitive WVGA touchscreen with dual cameras. The phone includes a 5 mega-pixel rear camera with LED flash and a 0.3 mega-pixel front camera for video

chatting. It has support for Bluetooth 2.1, GPS, Wi-Fi and 3G connectivity along with 32 GB of expandable memory. Speaking on the launch, Ajay Sharma, country head, Micromax, said, "With this device, the company aims to deliver the true smartphone experience to its users. Micromax has already been a pioneer in the feature phone segment. We believe that this smartphone will provide the same convenience to our users as our feature phones do."
