This is with reference to the article titled 'Synthetic Data: Illusions, Lies, Deceptions and the Reality' by Aditya Mitra, carried on page 63 of the December 2023 issue of Open Source For You. The author bio carried in that article was incorrect and should be read as: 'The author is a cybersecurity enthusiast who loves to work with cutting-edge technology and its implications. He has a passion for developing products that ease day-to-day tasks while protecting user information from malicious hands'. The OSFY team regrets this error and apologises for it.
