

A three-in-one high performance router from EDIMAX Technology

For all those who wish to give a fillip to their Internet connectivity, EDIMAX Technology, a leading provider of advanced network communication products, has launched a three-in-one router—the BR-6228nS V2/BR-6228nS V2. This multi-functional router comes enabled with a 9dBi high gain antenna that enhances the wireless range and coverage. It also has an access point and range extender. It provides connectivity while isolating guests from the primary network.

Here are some features and technical specifications:

- A three-in-one router, with an access point and range extender.
- Smart iQ set-up for automatic and quick installation with no CD required.
- 9dBi high gain antenna: Enhances wireless range and coverage.
- Guest network: Provides connectivity while isolating guests from your primary network.
- Wi-Fi Protected Set-up (WPS) button: For easy one-click set-up.

Sanjay Joshi, head, Technical and Projects (India) Ltd, said, "We believe in coming out with innovative networking-related products for our consumers on a regular basis, and this multi-functional router is one of them."

Price: ₹ 2,550

A new waterproof Android phone from Wickedleak

Wickedleak has launched its first 'water-resistant' smartphone—Wammy Passion X. Priced at Rs 18,500, the company claims that the smartphone is armed with AquaProtect technology that protects the device from water-related damage.

In addition, the Wammy Passion X is the company's first octa-core smartphone and has a MediaTek (MTK6592) processor clocked at 1.7 GHz. The smartphone runs on Android 4.2.

The smartphone features a 12.7cm (5 inch) full-HD IPS display with a resolution of 1080 x 1920 pixels. Powered by a 2500 mAh battery, the smartphone comes fitted with a 13 MP rear and 5 MP front camera. Says Aditya Mehta, CEO, WickedLeak, "After reviewing a lot of feedback from our consumers, we decided to do something different and then, eventually, launched this smartphone. When it comes to being one of the first in a particular technology, we are among the leaders."

Price: ₹ 18,500
