Sony Xperia Tipo Android ICS phone hits the shelves!

Finally, the much-awaited budget Android Ice Cream Sandwich phone from Sony is available in India. At an official launch event in Delhi, the company launched its

Xperia Tipo, which runs Ice Cream Sandwich. Under its hood, an 800 MHz Qualcomm Snapdragon processor along with an Adreno 200 GPU and 512 MB RAM combine to power the smartphone. It sports an 8.1-cm (3.2-inch) TFT capacitive touchscreen, made of mineral glass that is scratch resistant. The Tipo has a 3.2 MP rear camera without flash. It includes 2.5 GB of internal memory, which can be expanded to 32 GB via an external microSD card. Another cool feature of this phone is that it includes xLOUD and TrackID for music. The Xperia Tipo is available in red, white, blue and black. Calum MacDougall, director, Marketing, Xperia, Sony Mobile Communications, said, "The Xperia Tipo is for consumers looking for the entertainment experiences and functionality that are traditionally associated with high-end Android smartphones. It is for consumers who want to realise the benefits of a smartphone for the first time as they migrate from a feature phone."

Here comes the Jelly Bean-powered Samsung Galaxy Note II

Samsung has finally unveiled the much-awaited Galaxy Note II. The latest Note runs the newest version of Android 4.1, a.k.a. Jelly Bean. The smartphone features a 13.9-cm (5.5-inch) Super AMOLED HD display with a 1280 x 720 pixel resolution, a 1.6 GHz quad-core CPU and 2 GB of RAM. The device also comes with an 8 MP rear camera, a 1.9 MP front camera and a 3,100 mAh battery. The Note II is slimmer than its predecessor at 9.4 mm and comes with 16, 32 or 64 GB storage options.

The Note II has a new feature called Air View, which makes the S-Pen hover over an email, image gallery or video to preview its content without having to open it. Other specs of the device include 4G LTE, EDGE, Wi-Fi, Wi-Fi HT40, NFC, GPS with GLONASS, and A-GPS support and Bluetooth v4.0 with USB 2.0 Host. Asim

Warsi, vice president, Marketing (mobile business), Samsung India, said, "Samsung Galaxy Note has been well received. We hope to repeat the success of the earlier model with this new Note too." The device is available at Samsung Smartphone Cafes, Samsung Plazas, and select large format mobile outlets and retailers.
