

Explore the Power of Integrated Communication Suite!

Reduce Communication Cost!

Integrate Conferencing & Collaboration Tools with Mailing

e-Interact is a cost-effective integrated communication suite offering Mailing, Voice/Video Conferencing, Mobility & Collaboration, Desktop Sharing and Instant Messaging tools.

It enables enterprises to reduce their communication cost and take their interactions beyond just email.

- ✓ Reduce business travel cost
- ✓ Reduce costs on Telephone and Audio Conferencing
- ✓ Reduce communications systems cost with eInteract's Integrated Communication Suite
- ✓ Manage users through Legacy systems with API integration
- ✓ Minimize downtime with High Availability Cluster
- ✓ Lower TCO by Integrating e-Interact with Exchange/Lotus
