

New Business Tip #7

The magic is in keeping your customers engaged.

Out of sight is out of mind. In life and in the world of business. Today, striking a conversation with your customer is not enough, keeping it alive is the real trick. The 'Engagers' feature of MailDirect does just that. To know more about how to stay in control of your conversations, visit www.maildirect.in or to request a demo, sms MAILDIRECT to 56070.
