

We Seek Your Support In Taking Open Source India To The NEXT LEVEL

HERE'S HOW YOU CAN CONTRIBUTE

Be a speaker: Address a rich gathering of national and international software developers, IT Administrators. Call for papers is open. Visit: <http://2011.osidays.com/>

Be a media partner: Get the glory to be amongst the leading national and international media companies supporting the event. Write to us at: dhiraj@osidays.com

Be an attendee and listen to international and national Linux and Open Source Gurus Visit: <http://2011.osidays.com/user/register>

Be a supporter: Promote the event by spreading the word via your blog, website or social media profile by publishing the OSI logo and event updates. Or be amongst our team of valued volunteers and help us organise the event to perfection. Visit: <http://2011.osidays.com/badges>

Be a sponsor and leverage the event platform to showcase your products and services meant for the Linux and open source community. To know more write to us at: dhiraj@osidays.com or call: +91880094212
