Storage Foundation

Storage foundation is a 2-day full time program designed to provide a comprehensive introduction to Data Storage. The program combines class-room instruction with hands-on lab with storage hardware and software.

Special Offer ₹ 9,999/-

Storage Foundation Training	
Class room session :	
08th to 09th June '2011 Bangalore	
25th to 26th June '2011 Bangalore	
Lab Session [Optional] :	
10th and 27th June '2011 Bangalore	

Android Application Development Training

This complete hands-on course encourages students to learn by building increasingly more sophisticated and meaningful mobile applications for Android phones. The course explains what Android is, the setup of the Android Eclipse-based development tools, the Android SDK, all essential features, as well as the advanced capabilities and APIs such as background services, accelerometers, graphics, and GPS.

Google Android Application Development

• 13th to 17th June '11	Bangalore
• 27th to 31st June '11	Bangalore
