

Shubhodip Pal: The Man Who Added the Midas Touch to the Micromax Brand

Cricket tournaments, movie titles, F1 racing, football...Micromax is seen almost everywhere. This is the brand that has grown beyond imagination over a period of six-eight months. It all happened when Shubhodip Pal, the man with the Midas touch, joined the company as its Chief Marketing Officer and took it on an uncharted course to success. Micromax's Canvas series of smartphones is now a case study for almost all OEMs. One can easily attribute this success to Shubho, as he is fondly called, because Canvas was his brain child. **Diksha P Gupta** from **Open Source For You** spoke to **Shubhodip Pal** for a behind the scenes peek at the strategies that made Micromax the brand it is today.

Shubhodip Pal,
Chief Marketing Officer, Micromax
