

Kripa Shankar: Can anyone tell me how to create a system backup in Linux Mint, as a 'system restore' in Windows?

Like · comment

Nazir Hussain: Go for Mondo rescue. Refer to the link - www.mondorescue.org/

Utsav Rana: Make system image using MKISOFS command and then burn the image to the disc. Image is easier to restore from.

Kripa Shankar: Thanks a lot. It was really helpful.

Chinthu RS: Why the development team is frequently updating the kernel?
