Key highlights

T&M India 2014
20-22 Feb. 2014 • New Delhi

India's leading Test & Measurement equipment suppliers and users will converge at this dedicated expo for the segment. You can get the latest products and information on T&M here!

2nd Edition electronics Rocks
20-22 Feb. 2014 • New Delhi

After a very successful Blore edition, Rocks will be back to its original location on 20-22 Feb. 2014. The Showcase Pavilion for design engineers & design houses will be seen again, with interesting LIME applications.

LIME SMT LINE

Thousands of visitors lined up this year, to see a one of its kind demo. We bring it back next year, with more exciting features.

Conference on LED Manufacturing

For those entrepreneurs with an interest in LED manufacturing in India, this will be the most useful conference in 2014.

CEO Conclave

Industry stalwarts and policy makers will be here to discuss the challenges and opportunities that the Indian electronics industry needs right now.

Buyer Seller Meet

The easiest and most convenient way of meeting buyers and suppliers will be available. The process made simple with the use of technology.

Virtual Expo

The Indian electronics industry is already talking about this. The virtual feature will make it easier for international and overseas buyers to see the expo and interact with exhibitors – from their desktop!

The EFY Expo 2014 will pack all this, and more, over three days at one venue.
