OSFY in Imphal

Parhai Kothil: I used to be a very regular reader of your magazine. But now I cannot find it anymore at Imphal, the capital of Manipur. Can you tell me the name of any bookstore selling your magazine at Imphal?

Open Source For You: It's really nice to know that you read OSFY on a regular basis. You can get a copy of our magazine at the PC Jain bookstall, Thangal Bazaar, Imphal, Manipur. Hope this helps. Let us know if you need anything else from us.

An Android app to read OSFY

Praveen Kommineni: Is there any app to view your magazine online as an e-zine for Android phones?

Open Source For You: Praveen, thanks for reaching out to us. We are still in the process of developing an Android app for this. Will let you know once we do it.

Content on Big Data

Azmath Pasha: Hi! I am supposed to conduct a seminar on Big Data but I have come across so much about it on the Internet that I am now in a fix. Can you please help me with accessing some good content on the topic to prepare for the presentation?

Open Source For You: Hi Azmath! We wish you all the best for your presentation. We had published an article on 'An Introduction to Hadoop and Big Data Analysis' in the July 2013 edition of *Open Source For You*. You can refer to it and let us know if you need something else from us.

Non-receipt of OSFY magazine

Kathiravan Muthaiah: Hi there! I have subscribed to OSFY from November 2013 for a year and paid for the subscription in October. I got the payment receipt and the acknowledgement on November 11. But till now, I have not received the magazine. Now, I feel that I should have bought the magazine from the newsstand and enjoyed reading it. It's a big disappointment.
