

An Event for the *Gurus* of Electronics

And Those Who Want to Join Their Band

2nd Edition

electronics Rocks 2013

October 5-6, NIMHANS, Bengaluru

Electronics Rocks is a conference-cum-expo where the latest and best in electronics get discussed and show-cased. It's a must attend event for those who want to stay up-to-date with the latest in electronics.

HOT TOPICS: Sessions & Workshops

Internet of Things

Talks and demos of applications and latest technologies powering the Internet of Things phenomenon.

Raspberry Pi Demos

Demonstration of innovative projects & applications built around the Raspberry Pi.

Embedded Systems: Latest Tools & Technologies

Talks and demos of latest hardware and software tools that can help you design electronics circuits and systems better.

Music Extravaganza

Electronics Engineers' Rock Concert

India's first platform for electronics professionals to demonstrate their talent. The last day's last show will feature a talent contest where individuals and groups from electronics organisations will compete to win the Electronics Rocks trophy. So, if you can sing, dance or perform, and want to demonstrate your talent, write to us at erocks@efyindia.com.

Call for Experts

Want to share your knowledge and expertise on any of these 3 themes? Send your profile to erocks@efyindia.com along with proposed topic(s)

Registration Opens
