February 20 to 22, 2014
Hall No. 6, Pragati Maidan, New Delhi, India

Key highlights

T&M India 2014

20-22 Feb, 2014 • New Delhi

India's leading Test & Measurement equipment providers will exhibit here, making it the only dedicated expo for the segment. You can get the latest products and information on T&M here!

2nd Edition electronics Rocks

Delhi Edition

20-22 Feb, 2014 • New Delhi

After a very successful B'lore edition, Erocks will be back with exciting talks on Internet of Things & Raspberry Pi at the EFY Expo 2014. A Special Demo Showcase Pavilion for design engineers & design houses will be seen again, with interesting LIVE applications.

LIVE SMT LINE

Thousands of visitors lined up this year, to see a one of its kind demo. We bring it back next year, with more exciting features.

Conference on LED Manufacturing

For all those entrepreneurs with an interest in LED manufacturing in India, this will be the most useful conference in 2014.

CEO Conclave

Industry stalwarts and policy makers will be here to discuss investment opportunities. Just what the Indian electronics industry needs right now.

Buyer Seller Meet

The easiest and most convenient way of meeting big buyers face to face, a matchmaking process made simple with the use of technology.

Virtual Expo

The Indian electronics industry is already talking about this.
The virtual feature will make it easier for international and outstation buyers to see the expo and interact with exhibitors – from their desktop!

LIVE applications will be shown to Design Engineers and Design Houses at the Electronics Design Showcase Pavilion

The EFY Expo 2014 will pack all this, and more, over three days at one venue.
