

Go chic with Zebronic's hands-free Bluetooth headset

Push up your style quotient and explore the power of wireless connectivity with Zebronic's Bluetooth headset—the Blue Gear (ZEB-BH5000M). Top Notch Infotronics, owner of the Zebronic brand, has unveiled a slew of stylish hands-free Bluetooth headsets, with Blue Gear being one of them. The Zebronic Blue-Gear (ZEB-BH5000M) is an easy-to-wear pair that comes in three elegant colours - glossy red, black and a white velvet matte finish. Incorporating advanced audio technology, this model allows users to enjoy their favourite tracks along with crystal clear voice calls. When we caught up with Pradeep Doshi, director of Zebronic, Top Notch Infotronics India Pvt Ltd, he said, “Aesthetics will appeal to the youth with the colour options to choose from, followed by the advanced audio and noise reduction feature which brings in an added functionality – and all this, uncluttered with wires. It is an amazing combination of sound quality and design, at a value unmatched in this category. Our headphones have a clean, modest look that any individual would want, whether walking down a city lane or working out at the fitness centre.”
