

```

52.         'line': {'width': 1.25, 'dash_type': 'dash'}
53.     },
54. })
55.
56. # Add y-axis label
57. chart.set_y_axis({'name': 'Audit Status'})
58.
59. chart.set_size({'width': 720, 'height': 576})
60.

```

Figure 6: Project manager-wise chart

```

61. worksheet.insert_chart('H1', chart)
62.
63. #critical last step
64. writer.save()

```

A chart created using Python script is shown in Figure 6.
