VDSL router from Digisol

Digisol has extended its range of wireless VDSL routers with the launch of the DG-VG2300N.

The router comes with IEEE 802.11n to provide faster and secure data transfer along with a 300Mbps wireless speed over the 2.4GHz band.

A perfect choice for users seeking seamless HD video streaming, the router enhances the online gaming experience and other network tasks. It comes with the latest ITU-T G.993.2 VDSL2 standard, offering up to 100Mbps speed downstream and upstream along with backward compatibility with ADSL. The easy-to-set-up device comes with various features including:

- Robust WLAN security
- Dedicated WPS and WLAN push button
- Multiple sharing on a single ADSL connection
- Accessing private LAN servers from the Internet
- Two wired LAN ports and one WAN port
- Ipv6 support

Perfect for home and office networks, the router comes with the Easy Setup Assistant to enable quick and hassle-free installation. The DG-VG2300N wireless VDSL router is available at leading online and retail stores.

Address: Digisol Systems Ltd, Smartlink House, Plot No. 5, Bandra-Kurla Complex Road, Santa Cruz (E), Mumbai 400098

BenQ launches 4K home cinema projectors

BenQ has unveiled its CinePrime W5700 and W2700 DLP projectors, further expanding its home cinema line offerings.

The projectors feature DCI-P3 colour, ensuring long-lasting CinematicColor along with projector optimised HDR-PRO and colour calibration to ensure lifelike quality. Both the projectors offer Wi-Fi, world class colour performance, and customisability for home cinema enthusiasts.

Perfect for small living rooms, the W2700 comes with super-wide DCI-P3 industry standard colour space and delicate true 4K resolution to deliver the highest level of image accuracy. The W5700, on the other hand, offers 1.6X zoom and 2D H/V lens shift, which is ideal for AV rooms. Both the projectors deliver true 4K performance with a 3840 x

W2700

2160 resolution and 8.3 million distinct pixels for each frame. Lightweight and designed with a modern, compact profile, the BenQ projectors offer advanced adjustability and installation flexibility, and are powered by Digital Light Processing.

Both the projectors are available for purchase in India via online and retail stores.
