

STREAMLINE YOUR BUSINESS WITH CLOUD COMPUTING

WHY FCOOS?

- Official partner of Amazon Web Services (AWS) in India.
- We design & implement cloud infrastructure as per your need.
- Effective monitoring system with centralised screens and dedicated team.
- 24*7 Support with both remote and on-site support
- Happy customers across India, USA, Australia, France and Dubai since 2009.

WHY CHOOSE CLOUD?

- Develop, test, and deploy rapidly and reliably on Cloud
- Capital-expenditure Free
- Focus on user experience instead of infrastructure with cloud
- More secure than on-premises
- Deploy applications in minutes
- To improve mobility and collaboration
- Cost effective, Flexible, automatic software updates and more.
