The Co-located Shows

Why Exhibit at IEW 2018?

More Technology Decision Makers and Influencers than Any Other Event

India's Only Test & Measurement Show is Also a Part of IEW

Bag year-end orders: meet prospects in early Feb, get orders before FY ends

It's a Technology - centric Show and Not Just a B2B Show

360 Degree Promotions via Event, Publications and Online!

World's #1 IOT Show is a Part of IEW and IOT is Driving Growth

3,000+ Visitors are Conference Delegates Alone

Being Held at a Venue (KTPO) That's Closer to Tech Firms

The only show in Bengaluru in FY 2017-18

Besides Purchase Orders—You Can Bag 'Design Ins' and 'Design-Wins' too

Your Brand and Solutions Reach Out to 500,000+ Audience, Not Just 15 to 20,000

It's an Electronics For You Group Property—And We Value Your Trust More Than Money

Co-located Events Offer Cross Pollination of Business & Networking Opportunities

IEW Connects You with Customers Before the Event, At the Event, and even After the Event

Special Packages for 'Make in India', 'Design in India', 'Start-up India' and 'LED Lighting' Exhibitors

Why Should You Risk Being an Early Bird?

1. The best locations sell out first
2. The earlier you book—better are the rates, and more are the deliverables
3. We might just run out of space this year!
