

ANNOUNCING DATAWORKS SUMMIT/ HADOOP SUMMIT 2017 IN SYDNEY

ICC SYDNEY, AUSTRALIA | SEPTEMBER 20-21, 2017

ALL THINGS DATA

DataWorks Summit/Hadoop Summit is the industry's premier Big Data community event.

Attend this year and learn from your peers and industry experts how open source technologies enable you to leverage all your data, on premises and in the cloud, to drive predictive analytics, distributed deep-learning, and artificial intelligence initiatives.

SPECIAL OFFER: Use code **OPENSOURCE**
to save 25% off your all-access pass!
