

September 17-19, 2009

Pragati Maidan Exhibition Centre
New Delhi, India

Telecom Equipment Manufacturer's
Association of India

Presents

EXPO COMM INDIA 2009

Accelerate your business

Indian Telecom & IT services are the 2nd largest in the world. India is leveraging the benefits of information and communication sector for a sustained economic development. Expo Comm is a 'must-attend' show where the information and communication industry professionals converge together and demonstrate business strategies on current and future technologies. The scope of the business, expansion and growth is high as one gets to meet a cross-section of industry professionals and leading decision makers.

The show is an excellent platform to showcase your products to global buyers and sellers and it will help you to penetrate the expanding technology centres of Asia, Europe and the Americas.
