The Tech Industry's Much-Awaited Mega Conference!

Calling experts
to share their
knowledge at the
13th edition
of India's
most exciting
convention on
Open Source!

Open Source India (OSI) is the premier Open Source conference in Asia targeted at nurturing and promoting the Open Source ecosystem in the subcontinent. Started as LinuxAsia in 2004,

OSI has been at the helm of bringing together the Open Source industry and the community.

The 13th edition of OSI aims to take this event a notch higher by focusing on the Open Source ecosystem in Asia and, more specifically, in India.
