Stylish Bluetooth headsets from Advent

Advent, a leading brand in mobile accessories, has recently launched its latest Bluetooth headset, the BT500, in its Echophonz series.

The device is equipped with a built-in microphone and is designed with appealing chrome borders. It comes with Bluetooth version v3.0 and has a range of up to 8-10 metres.

The headset is said to deliver crisp studio quality sound with enhanced bass, and has four to six consecutive hours of successive playtime.

Its foldable headband and ear cups make it easy to carry around. The EchoPhonz BT500 has ear controls that enable users to perform various functions like switch music, make calls and control the volume.

The device also supports FM, has a mini USB charging interface and a microSD slot for up to 16GB.

The pocket-friendly headset is available in all leading online stores including Flipkart, Snapdeal and Amazon.
