

Pocket-friendly all-in-one power bank

Price:
₹ 799

Electronic gizmos and mobile accessories manufacturer, Ambrane, has recently launched its latest power bank, the Ambrane P-1122. The device weighs just about 320 grams and has a battery of 10,000mAh capacity.

It is designed with three USB

outputs for charging three devices simultaneously.

The power bank is a lithium-ion device and comes with protection against short circuits and over discharge. Additionally, it is equipped with a bright four-LED torch, which can be turned on and off with a double click.

Available at a reasonable price, this lightweight power bank is easily portable.

The Ambrane P-1122 is available in white and brown colours via Paytm.

Thinnest mobile hard drive from Seagate

American data storage company, Seagate, has launched its thinnest 2TB mobile hard drive, the Seagate Backup Plus Ultra Slim, with a compact design. The company claims that the drive, being just 9.6mm thin, is thinner than all the other 2TB drives available in the market.

With Seagate's latest 6.3cm (2.5 inch) HDD technology, the high capacity device enables users to keep more than 500,000 songs, 320,000 pictures or 240 hours of HD videos handy. The drive includes Seagate Dashboard software, offering users one-click, on-demand or customisable scheduled backups for their devices.

The drive comes with 200GB of free Microsoft One Drive cloud

Price:
₹ 5,699 for 1TB
and ₹ 8,399
for 2TB

storage for two years, enabling users to share and access their files anywhere on a mobile device or a PC.

The Seagate Backup Plus Ultra Slim hard drives are available in 1TB and 2TB variants, exclusively on Amazon.

₹ 9,999

LeEco's first 'made for India' smartphone

IT gadgets and products manufacturer, LeEco, has launched its first 'made for India' smartphone, the Le 1s Eco.

The smartphone comes with a 13.9cm (5.5 inch) 403ppi FHD display and a 1080x1920 resolution display, along with a rear fingerprint scanner.

It runs on the latest Android 5.0 eUI and packs a powerful Helio X10 Media Tek processor.

Clocked at 1.8GHz, the device comes with 3GB of RAM, enabling uninterrupted video streaming along with 32GB inbuilt storage. The device offers a 15 megapixel rear and 5 megapixel front camera, and comes with a powerful 3000mAh lithium polymer battery.

The smartphone is backed by the company's ecosystem that offers users content from Eros Now, Yupp TV and Hungama. The device also uses the USB Type-C port and supports fast charging.

The Le 1s Eco is available exclusively via Flipkart.

Address: LeEco, Ground Floor, Beech, E-1, Manyata Embassy Business Park, Outer Ring Road, Nagawara, Bengaluru 560045
