

Change of address

I am thinking of getting a two-year subscription for OSFY, but I will be moving house after one year. I want to know if it is possible to change a subscription address, mid-way.

ED: Yes, this is very much possible. All you need to do is drop an email at support@efy.in along with your new address details to get the changes done.

Requesting an article on Apache Olingo

We will share your request with our pool of authors, and you can expect an article on this subject in a forthcoming issue of OSFY. Do continue to send us your feedback, as it helps us to improve.
