

SO YOU FEEL YOU MANAGE 'IT' SMARTLY?

What if we say that
we can get top IT industry
executives to queue
up to **meet you**.

Here's that once in a lifetime
opportunity to get you and **your
skills seen** by the whole Indian
open source industry.

HOW?

**BE A SPEAKER. OUR SPEAKER.
SHARE YOUR EXPERIENCE
AT SMART IT INDIA**

Here's what you can talk about:

- Best practices & techniques in managing IT Infra smartly
- Latest tools & technologies that promise to make managing IT simpler
- How to get the best out of Open Source stack for managing IT infra?
- Hyper-converged: to do or not to do?
- What're the best practices & techniques to influence the non-technical decision makers?

**smartIT
INDIA**

11-12 OCTOBER 2018
NIMHANS Convention Center, Bengaluru
