

# OSI 2017: WHERE THE INDUSTRY MET THE COMMUNITY

Here's a pictorial overview of all that took place at this mega event for open source enthusiasts.

October 2017 witnessed a mega open source event – the 14th edition of the annual, much-awaited Open Source India (OSI). The iconic convention was held on October 13 and 14, 2017, at NIMHANS Convention Center, Bengaluru. It featured packed sessions by over 65 speakers, and 14 workshops running in parallel, over two days. Here is a pictorial round-up for those who missed the event.

The 14th edition of Open Source India was attended by a large number of open source supporters from India and around the globe. Apart from the talks by experts, the event also became a place for exhibitors to showcase their various community-centric offerings to hundreds of attendees.
