

## Pocket-sized projector from Sony now available in India

Price:  
**₹ 29,990**

Global technology giant Sony has launched a portable mobile projector, the MP CD1, in India. This pocket-sized projector weighs only 280g, and offers a diagonal projection image size of up to 304.8cm (120 inches) from a short distance of 350cm. It has a resolution of 854x480 pixels.

With Texas Instruments' DLP IntelliBright technology, the projector offers 105 ANSI lumens to provide a brilliant display. It offers a quick start and a simple setup that just needs connecting the HDMI cable

from a PC and pressing the projector's power button. The device offers two hours of projection time with its built-in 5000 mAh battery.

The projector has an aluminium casing to increase durability, and comes with an HDMI port compatible with standard HDMI/MHL inputs. It can also be connected via cable to laptops, gaming consoles, etc, and is compatible with both Android and iOS devices.

The Sony MP CD1 is available online and at retail stores.

## Waterproof Bluetooth speaker from JBL

JBL, a Harman owned company that manufactures speakers and related electronics, has recently launched the Xtreme 2 waterproof Bluetooth speaker in India.

The speaker comes with an IPX7 rating for protection from spills and even submersion in water. With 15 hours of playtime (depending on volume level and audio content), the device supports Bluetooth v4.2, allowing a user to connect two smartphones or tablets wirelessly to it.

The JBL speaker comes with four drivers (two woofers and two tweeters) along with two JBL bass radiators; it integrates a noise and echo-cancelling speakerphone for clear calls, even in noisy environments. The Xtreme 2 comes with a huge built-in 10,000mAh lithium-ion polymer battery, and supports JBL Connect+ to wirelessly link more than 100 JBL Connect+ enabled speakers.

The speaker weighs 2.39kg, is cylindrically shaped and comes with integrated hooks, a durable metal base and an added bottle opener. It is portable and a perfect partner for outdoor activities and excursions. It is available in Midnight Black, Forest Green and Ocean Blue, online and at retail stores.
